WHITCHURCH & DISTRICT OVER SIXTIES BOWLING LEAGUE

PROPOSED NEW RULES for 2016 Season

CHAIRMANS COMMENTS:-

The enclosed revised rules are an attempt to bring this league into line with all the rules used in the other leagues in our area and county.

I know that when the League was formed in 1996 (20 years ago) it had an ambition of being the most friendly and easy-going League in the county, this I believe was achieved. The League when formed consisted of 9 Teams from 7 Clubs, which made it easy to run the league in a casual format.

But over the years the League has grown resulting in having 39 teams from 23 Clubs, so therefore, it is reasonable that the League should have a more comprehensive set of rules for the 21st. Century.

As you will see in the proposed rules, that a fine will apply if a rule is broken,

Therefore, if everyone abides by the rules there will no fines applied.

It would be appreciated if you could examine the enclosed rules, and if you have any comments please let me know either in writing or by email at the addresses below.
